- keypoint 3** Jesus appears to Sister Lucia, and tells her an analogy that if Heaven's commands are done late, the Church's ministers will "follow the example of the King of France in delaying the execution" in other words for not following the command. He tells her, "They have not chosen to heed my request." "They will follow him into misfortune." It is understood that this is a future warning to the Pope and his bishops given in Rianjo, Spain, 1931, but it is not publicized.
- keypoint 4** On May 13, 1931, in a sacred ceremony, all Portuguese bishops consecrate the nation of Portugal to the Immaculate Heart of Mary; two years earlier they had offered a consecration to the Sacred Heart of Jesus.
- keypoint 5** Sept. 12, 1935, the bodies of Francisco and Jacinta exhumed; Jacinta's body was found to be uncorrupted in spite of being buried in quicklime.
- keypoint 6** Portugal escapes the total horrors of the Spanish Civil War and World War II. Over 6,000 priests were captured and tortured in the Spanish Civil War. About 280 nuns were also captured, some were raped, some had their eyes gouged out, others were dragged by chains from fast cars until they died.
- keypoint 7** March 19, 1937: In his Encyclical on Atheistic Communism by Pope Pius XI: ...the Catholic Church could not and does not remain silent. - keypoint 8** A great, strange light appears Jan. 25, 1938 over Europe, as foretold.
- keypoint 9** A most unusual visitation on October 24, 1940: kept secret from the world whereby Sister Lucia had a special visitation by Jesus Christ Who told her it was His wish a consecration of the world to the Immaculate Heart of Mary be performed.
- keypoint 10** Pope Pius XII does a consecration twice, once on radio by himself, mentioning the "world" by name but, not Russia, Oct. 31 and Dec. 8, 1942. The partial consecrations were done to the Immaculate Heart of Mary but not in the way She originally requested. On Oct. 31, 1942, he created the Feast of the Immaculate Heart of Mary on the Saturday after the Feast of the Sacred Heart of Jesus.
- keypoint 11** In a secret letter to her spiritual director (dated Feb. 28, 1943) Archbishop Don Manuel Ferreira, Lucia told him the content of the 1940 consecration was held in approval by God, and that Lucia was told He promises the world war would be shortened. However, she also stated the "conversion of Russia is not for now." WW II ravages on, the evil forces are free to sound the 2nd Trumpet of Revelation.

keypoint 12 January 2, 1944, Sister Lucia writes down the Third Secret in the middle of WW II; later reveals the Blessed Mother wishes it to be revealed in 1960.

keypoint 13 Aug. 6, 1945: God's hand of protection is extended to eight Jesuit priests in Hiroshima less than 8 blocks from A-bomb epicenter who are spared all radiation and death; survivor Rev. Schiffer attributes it to the daily Fatima prayers and Holy Rosary recited together.

keypoint 18 1952: Pope Pius XII on July 7 does a consecration again, mentioning this time "the Peoples of Russia" by name. He does it alone. No Russian high-level official or Russian Orthodox bishop issued a public offense and "squawked for war." Austrian Jesuit Joseph Schweigl pays a secret visit to Sister Lucia on Sept. 2 about 3rd Secret, later reveals "...that it has two parts; one concerns the Pope."

keypoint 19 Sister Lucia interviewed by Father Augustin Fuentes on Dec. 26, 1957 told him many priests will be dragged down by the devil and it is not the end times.

keypoint 21 The public was not allowed to speak or see Sister Lucia, under a new stricter policy of silence except by "explicit permission". Members of her family were excluded by this new policy of 1960. This remained until her death. John XXIII decided he would never publish the letter of the 3rd Secret. He forbids any and all references regarding Fatima and Russia, in disobedience to the wishes of Heaven, according to Vatican insider Malachi Martin.

keypoint 24 October 30, 1961, the most powerful nuclear explosion in the history of atomic warfare of 50Mt, at Novaya Zemlya adds tension to the Cold War. May we suggest the movie by Academy Award winners Steven Spielberg and Tom Hanks *Bridge of Spies*; a screen drama of security tension; in the end is Rudolf Abel, a devout Communist, exchanged on Feb. 10, 1962 for two Americans?

keypoint 26 February 3, 1962, the United States economic, commercial, and financial embargo of Cuba proclaimed (Economic Proclamation 3447.) At this point in time, the USSR had no long-range intercontinental weaponry; in fact, in a little known tidbit of history, the guidance systems for those missiles were worthless without precision made tiny ball bearings which no company in all of Europe or the USSR were able to manufacture. Ah! but here is the clincher: only one company in the world was capable of making them, the Bryant Chucking Grinder Co. from Vermont. At first the Dept of Commerce approved export of 45 Centalign-B machines for processing the tiny ball bearings to the USSR, but killed it.

keypoint 27 July 9, 1962, the United States explodes a 1.45 megaton (equivalent to 1.4 million tons [Mt] of TNT) nuclear bomb in space, 250 miles above the Pacific (codename Starfish). keypoint 31 Super Secret Metz Pact (1962) absolved the Second Vatican Council, assembled between 1962 and 1965, and any bishop, theologian or *periti* from debating and officially denouncing Communism. When the written intervention of 450 Catholic Council priests against Communism was submitted, the manuscript was "mysteriously lost" and never brought up for debate; any council member who stood up to discuss the evils of Communism was forced to sit down and be silent. [An account of this debacle is found in Rev. Malachi Martin's book *The Jesuits, The Society of Jesus and the Betrayal of the Roman Catholic Church* and in *The Rhine Flows into the Tiber* by Rev. Ralph Wiltgen.] Vatican II modernized the mass. This is definitely in the ebook. Tellstar became the first satellite to relay live TV across the ocean.

He also said, "There was the belief that after Vatican II Council there would be a day of sunshine for the history of the Church. Instead," he said pessimistically, "it was the arrival of a day of clouds, of tempest, of darkness...." He added, something is preternatural and has arrived to intervene with adverse power. The Pope called him, "the devil, this mysterious being that the letter of St. Paul alludes to."

In other words, another secretive piece of the Third Secret.

Archbishop Sambi told him, as related in the article between Moynihan and Sambi, "'Excuse me.' He got up and went out of the room, and came back with a book." "Do you know this book?" he asked Moynihan. It was a copy of *The Secret Still Hidden* by Chris Ferrara. But, Moynihan then posed this question, "You are the Pope's representative in the U.S. and you are urging me to read a book that questions what the Secretary of State wrote?" Sambi told him: "All I am saying is that there are interesting things worth reading in this book. And in the end, we are all after the truth, aren't we? The truth is the important thing."

So, if we notate keypoint #80, we can conclude the arrival of the next A/C and a time-frame of when the dethroner of this A/C shows up on the world stage: the big question is, will the dethroner (savior of Christianity?) battle this A/C before, after or during the destruction of the 7-hill city? And, a Great Miracle? Is the revolting punishment on the 7-hill city part of the chastisement? In the end, the Judge will judge the people, and from our tip-off via another Marian apparition, it is due after the Great Miracle which will be televised. The punishment "would be worse than having fire on top of us, fire underneath us and fire all around us." In those times, the messages of warnings are glowing, terrible wars, anarchy, decapitation of Christians, decapitation of moral-standards, wicked-like weather and climate.

First time in centuries a saint was proclaimed without the need for a 2nd miracle and without even being made a martyr. Since 1963, the Vatican could not find a second miracle attributed to him. John Paul’s first miracle was the curing of a 49-year old French nun Sister Marie Simon-Pierre Normand from Parkinson’s Disease; the second was the recovery of a brain illness for a Costa Rican woman who prayed to him.
